Incident: Commercial Motor Vehicle Enforcement Results
Release Date: June 1st, 2021

Cary, Illinois – On May 20th, 2021 the Cary Police Department, with assistance from the Illinois Department of Transportation and Illinois State Police, conducted targeted commercial motor vehicle enforcement on U.S. Route 14.

Ninety-five trucks were weighed during the three-hour campaign. The Cary Police Department issued one overweight citation for \$395.00 and issued two citations for driver's license classification violations.

The Illinois State Police conducted six vehicle inspections, resulting in thirty warnings and seven vehicles / drivers being marked out of service.

The Cary Police Department is committed to removing unsafe and overweight vehicles from the roadway.
